

## **3 Days / 2 Nights Albay & Sorsogon Tour**

**Valid until June 30, 2011**

**Start of Tour : Legazpi City airport or bus terminal**

### **Day 1 – Albay Tour (7:30am – 6pm)**

#### **Description:**

Head straight for the terracotta industry of the albay province in tiwi and see it's unique exported creations. Then ascend the slopes of the most active volcano in the Philippines...Mt Mayon, and take a breath at the Mayon Skyline (nestled 2,500ft high). While ascending, you'll see roadside crosses and tomb-like markers, used during the way of the cross, for penance. Then visit diversified industries like the metalcraft industry in Tabaco city and the handicraft industry in Sto Domingo, incidentally the birthplace of the famous composer of the immortal bicol love song, "Sarongbanggi" (One Night). Explore the the remnants of the worst eruption of Mayon in 1814, at the cagsawa ruins and visit one of the most prominent churches in the Philippines because of it's priceless baroque architecture and rich façade...the Our Lady of the Gate parish. Further down the day, scale up lignon hill, an inactive small volcano that is the latest tourist attraction with adventures activities to enjoy (zipline, rapelling, wall climbing etc), not to mention a panoramic view of the city and a "front row" seat of the world's most perfect cone volcano...the Mt Mayon!

## **Day 2 – Sorsogon Tour (7:30am – 6pm)**

### **Description:**

Start off the day by seeing a live beefarm and see how the purest of honey are made, by the busy bees themselves. Then a short visit to a dairy farm and a seaweed center, which is one of the top 10 exported products of the Philippines. Then soak up the sun and sand in the white sand beach of Gubat before proceeding to the intriguingly-built coral-wall church of Barcelona. Enjoy the cool and tranquil climate of the Lake Bulusan (on the slope of one of the top10 most active volcanos in the Philippines....Mt Bulusan) and take a short 45mins nature trail around the lake. Then spend the rest of the day immersed in the therapeutic hot springs coming from Mt Bulusan!
